DW HR solutions

What do we do? We help businesses find effective solutions within their people resource

Whether you're starting a business or growing a business, DW HR solutions help you get HR and your people resource working to maximise your productivity. We love to use our experience of working in multi faceted companies to drive the right processes and maximise the potential of your people and protect yourself from constant changing legislation and employment law

Who we are:

HR professionals with many years of operation and HR experience
20+ years supporting some of the UK's biggest companies

What we're about:

Taking care of the worry
Looking after your budget and maximising the people resource in the company
Building better workplaces with better engaged and employee sentiment

What we do:

We understand that running a business means juggling countless responsibilities, and not all companies have the luxury of a dedicated HR department. That's where we come in.

We specialise in streamlining your HR processes so you can focus on what matters most—growing your business. Our services are designed to eliminate the headache of HR compliance, keeping you up-to-date with the latest legislation and ensuring your operations run smoothly. From managing compliance obligations and tracking legal changes to offering ER advice, designing training programs, updating contracts and employee handbooks, and handling skilled worker visa applications, we provide comprehensive support tailored to your needs. Think of us as an extension of your team, committed to protecting and enhancing your human resources, so you can concentrate on building a successful future for your company.

HR & Employment Law

When it comes to HR & Employment Law experience counts

Your people are your business' greatest asset - that's a fact. But that doesn't mean people management is easy. And it's ALWAYS time-consuming. So let's take some of the worry and stress away from your management teams

What we will do.

Unlimited email and telephone support regarding HR and employment law (direct line to an experience HR consultant) ER & HR-specific letters and correspondence drafting for line managers
Updating the business managers and Employee handbook & contracts of any Working time regulation updates from the government.
Telephone and email advice and support of all things HR and people related

Thats not all....

On-site HR
HR can get tricky, and sometimes you'd rather have someone independent by your side to help you through the process - which is what we're here for. Get hands-on support with redundancies, disciplinarys, grievances, exit negotiations and so much more, as well as proactive HR strategies like training, recruitment, and employee engagement.
